

Welcome to the Neighborhood!

We all know how hectic it can be to get settled into a new home. Finding a new dentist is probably not at the top of your agenda right now, but we hope you will think of **Complete Dental Care** when the time arrives. Please allow us to take a brief moment to introduce ourselves and our practice to you and your family.

Our office is conveniently located at 720 SW Wilshire Blvd., in Burleson, Texas. Drs. J. Bernard Erickson, Holly Erickson Reineck, and Kurt Reineck provide state of the art dental care with the most modern equipment available. Our office is equipped with: Computer monitors in all treatment rooms for patient enjoyment and co-diagnosis; and digital x-rays which require only 10% of the radiation normally used in dental x-rays. The radiograph is instantly available on the computer screen, which also saves you valuable time.

Our dentists, Dr. J. Bernard Erickson, Dr. Holly Erickson Reineck (daughter), and Dr. Kurt Reineck (son-in-law) are family dentists capable of treating both adults and children. We have a unique complete family operated business, so your family and needs are important to us. We stress preventative care and regular checkups. Most people should start seeing a dentist at the age of three, and at least two times a year (for routine checkups) thereafter.

At Complete Dental Care you can expect:

- 1) A high degree of professional skill and ability.
- 2) The highest effort to make your visit as comfortable as possible.
- 3) Fees that are fair for the service provided and assistance from our staff with all of your insurance needs.
- 4) Cosmetic dentistry (teeth whitening, bonding, and veneers), Orthodontics (including the new invisalign braces), root canals, oral surgery procedures, as well as, preventive and restorative care.
- 5) A dedication to you whole family and their dental needs. We realize how difficult finding the time to go to the dentist is, and we hope to assist you in any way we can.

We welcome the opportunity to serve you soon!

Sincerely,
The staff of Dr. Erickson, Reineck and Reineck
